

Send the Fire!

Revival Links are at the bottom of page

At the end of the last century there was a man who looked upon the moral and spiritual decay of the world and the church and realized that something radical needed to happen to bring his world back to God. His name was William Booth, founder of the Salvation Army. With this realization came fervent prayer and through prayer the lyrics to this song. "O God of burning, cleansing flames, Send the Fire. Your blood-bought gift today we claim. Send the Fire, to burn up every trace of sin, to bring the light and glory in, the revolution now begin." As we come to the end of this century these words have as much meaning as they did when they were first written. People have lost their sense of moral urgency and spiritual fervency and only the fire of God can burn away deception and cause the true light of Jesus to be seen. ~ **Lindell Cooley** (Brownsville Revival Worship Leader)

SEND THE FIRE

O God of burning, cleansing flame, Send the fire
 Your blood - bought gift today we claim, Send the fire today
 God of Elijah, hear our cry, Send the fire
 And make us fit to live or die, send the fire today
To burn up every trace of sin, to bring the light and glory in
The revolution now begins, Send the fire today
It's fire we want, for fire we plead, Send the fire
The fire will meet our every need, Send the fire today

Give us strength to always do what's right,
 And grace to conquer in the fight
 for power to walk this world in white, Send the fire today

Look down and see this waiting host
 And send the promised Holy Ghost

We need another Pentecost, Send the fire today

To make our weak hearts strong and brave, Send the fire
 To live a dying world to save, Send the fire

Lord, we're here tonight and we're on Your alter, Send the fire

We give our lives to You today, Send the fire

Send the fire today!
